Communication is the key to success in business. Business communication is the ability to build solid relationships based on the effective and efficient exchange of information between:

- Vendors and distributors
- Employees within the business
- Customers and clients
- Other businesses

In other words, it’s all about building **trust**.
Four Sociolinguist Competencies of Effective Communication

Grammatical Competence
Lexical, syntactic, semantic, morphological, and phonological knowledge.

Discourse Competence
The combination of linguistic expressions and the appropriate way of connecting these expressions.

Sociolinguistic Competence
Communication in a social and cultural context with awareness of theme, roles, participants, situation and norms of interaction.

Strategic Competence
The ability to solve communication problems and compensate for deficiencies by verbal and non-verbal means.
On The Relationships Between Face-to-Face and Virtual Communication and Verbal and Non-verbal Communication:

Cummins’s (1981b) model of language acquisition (as cited in Madyarov) with four quadrants.
The Interdependent Nature of Communication with Regard to Input and Output:

**Output (Has)**
- Clarity;
- Succinctness;

Strategies for Efficient Reading (Part 1 of 3):

**Preview:**
- Read the title/subject line: Determine what the text is about;
- Read the first two paragraphs and the first sentence of each subsequent paragraph;
- Read the concluding paragraph.

**Skim:**
- If it’s short enough, look for keys words;
- Use text features such as **bold** or *italics*.

**Cluster:**
- Train your eyes to read in groups of four to five words rather than one-by-one.

Strategies for Efficient Reading (Part 2 of 3): Conduct a STAP Analysis:

Identify the **Subject**:
- The subject is usually one word.

Identify the **Thesis**:
- What is the author’s attitude/opinion about the subject?

Identify the **Audience**:
- Evaluate the tone, vocabulary, and syntax to determine the audience.

Identify the **Purpose**:
- Determine whether the author is complaining, informing, evaluating, explaining, etc.
The “7 Cs of Effective Business Writing” (Part 1 of 6):

**Completeness:**
Check for the 5 W’s

**Clarity:**
Apply the “K-I-S-S Principle”

**Concreteness:**
Use specific words and avoid abstract terms

**Conciseness:**
Omit unnecessary words

**Correctness:**
Include only accurate facts

**Consideration:**
Focus on “you” instead of “I”

**Courtesy:**
Be thoughtful and positive

Phone Etiquette:

Use Signaling Phrases

(say):
- “Let me ask a question”
- “Let me suggest…”
- “Let me clarify…”
- “Let me summarize…”

(do):
- Then, ask the question…
- Then, make the suggestion…
- Then, make the clarification…
- Then, summarize the discussion…
Phone Etiquette (Cont.)

Use Active Listening Techniques

Ask for Details:
- “Give me more details about that…”
- “Tell me more about that….”

Show Empathy:
- “That sounds wonderful/terrible.”
- “I understand what you mean.”

Ask Questions:
- “What did you do next?”
- “How did you respond?”
